DECEMBER 2021

The American Bible Project

Stephen Skelton is the founder of The American Bible Project. His non-profit organization has brought the First American Bible back into print.

This Bible is the only Bible approved by the United States Congress. It is also the only Bible recommended to Americans by our government. This is the history of the first King James Bible made in America.

Because of the historical importance of the First American Bible, Stephen is putting this Bible back into schools.

At our next Executive Board Meeting, Stephen will talk about how he has put this Bible back in over 700 schools in Tennessee. In addition, he will tell us how we can help to put the Bible back into the schools of our community and our country.

Stephen will be at the **Executive Board Meeting, December 13, 2021 at Calvary Baptist Church.** The meeting will begin at **7:00 P.M.** Join us for a **meal at 6:00 P.M.** Everyone is welcome.

Missionary Kid (MK) Assignment

Each year Tennessee WMU asks associations to “adopt” an MK whose parents are serving with the International Mission Board. The purpose is for the associations to nurture and encourage these students while they are far from family. It is hoped the churches in these associations will encourage the MK throughout the school year with notes, emails, gift cards, goodie packages, etc.

The Missionary Kid (MK) assigned to Giles County for the 2021-2022 school year is:

Kathryn Pinkston, junior at Union University
Birthday is February 8.
Email is kathryn.pinkston@my.uu.edu
Mailing address is UU2494, 1050 Union University Drive, Jackson, TN 38305.

Remember the Gift sent from heaven above wrapped
in humanity, destined to love.

Remember the Gift that caused angels to sing, a true
Treasure worshiped by shepherds and kings.

Remember that Gift gave His life on a tree, how He
suffered and died to set you and me free.

So as we celebrate this wonderful season may we
give thanks, and remember the reason.

Christmas Blessings,
