Doing ministry in your neighborhood could be as simple as packing a bag! Your church can meet needs and change lives this fall by participating in a nationwide backpack event!

Once your church has signed up, the Send Relief team will provide your congregation with free backpacks to stock with school supplies, basic hygiene items or anything else your church feels struggling families in your area could use.

Your church will also have the opportunity to help a body of believers overseas hold a similar event when you "pack one and give one." For a donation of just \$10 per bag, you can provide families in need in other countries with food, hygiene items, essentials for disaster survivors and more.

To find out more about this ministry or to register for the free backpacks, visit [www.sendrelief.org/backpacks](http://www.sendrelief.org/backpacks).
