Our Baptist Collegiate Ministry or BCM, has been growing both numerically and spiritually in the last three years. One of our hearts for these students is for them to find connections through local churches. If your congregation is interested in making those connections, here are a few ways you could help.

1. Church brochure or flyer: We would love to have information about your Young Adult Ministry that we could display at the BCM. Also, if you have events that these students could serve through or attend, we can post those as well.
2. Meals: Your church could help provide (cook/serve) one of the meals for our weekly gathering. We are averaging between 24-28 students. This time would allow you to connect with students and personally invite them to one of your services or events. You could also make a donation to offset the cost of a meal.
3. Provide groceries: From time to time, on-campus (especially international) students need help during semester breaks. Your church could collect items like canned ravioli, soups, ramen, microwave mac-n-cheese, and popcorn. You can always make a donation for us to purchase gift cards from local grocery stores.
4. Pray for this ministry: God is at work, and we want to continue to trust in His direction as we reach out. Pray for our student leaders (8 currently) and our continued campus opportunities.

If you have any questions please contact me,
